

Undergraduate Application Supplement

Sydney Hart | CAID: APP_011 | Fall 2026

Academic interest statement

My stated academic interest is Public Health. I would like to explore how classroom ideas can be tested against practical questions. I am particularly interested in coursework that asks students to explain their methods, examine evidence, and revise an initial interpretation.

I hope to contribute by listening carefully during collaborative work, making my reasoning understandable, and being willing to learn from classmates whose experience differs from mine.
