

Letter of Recommendation 1

Parker Lopez | CAID: APP_013 | Fall 2026

To the Undergraduate Admissions Committee:

I am pleased to recommend Parker Lopez for undergraduate study. I write as a school counselor at Portland High School. This letter offers a fictional classroom or advising perspective for a simulated application; its narrative observations are not verified records.

The supplied academic record lists an unweighted GPA of 3.47 and a weighted GPA of 3.69. Parker intends to explore Accounting. In our simulated advising conversations, I have observed a willingness to consider feedback and explain a choice rather than simply ask whether an answer is correct.

The application lists these activities: School art club member. I do not infer additional participation when a field is missing. The reported awards are: Community service recognition, School leadership award, Robotics competition team award. These entries help describe the application, while my recommendation focuses on the habits of learning illustrated by the fictional examples in this letter.

I recommend Parker Lopez for thoughtful consideration. The admissions committee should review the complete packet and its own requirements before reaching a decision. I expect a college environment that invites questions and offers constructive feedback would support this student's continued development.

Sincerely, Blair Kim School counselor Portland High School
